PSEC Application Ref: Gundry161219

Dear David,

Thank you for your recent application to the Physical Sciences Ethics Committee for the project titled “enjoyment and data quality in a human-subject data collection game”. I am pleased to inform you that the committee has reviewed your application and supporting documents and we approve the research to be conducted on the basis described on the application form.

Please note the committee must be informed of any amendments to the protocol, participant information, or informed consent prior to the research taking place. Please follow the amendments procedures using the reference above in any correspondence concerning this project in the future.

It is also your responsibility to ensure continuing conformance to the University of York’s ethical policy over the lifetime of the project.

Yours sincerely,

Siamak F. Shahandashti
Ethics Coordinator, Dept. Computer Science
